Health Services Research: A Threatened Foundation for the Work Of Nurse Executives, 142
Turning Up the Volume to Battle Chronic Disease, 229

Health Services Research
Health Services Research: A Threatened Foundation for the Work Of Nurse Executives, 142

HIPAA
HIPAA: Update on Rule Revisions and Compliance Requirements, 88

Information Systems and Technology (Department)
The Nursing Shortage: Can Information Technology Help?, 46
Computerized Physician Order Entry: A Prescription for Patient Safety, 76
Safeguarding Patients Against Medical Errors, 192
Applying Information Technologies to Pump Up Operating Room Efficiency, 249
Nursing Informatics: An Evolving Specialty, 300

Interviews
Evidence of Our Instincts: An Interview with Linda H. Aiken, 58
From Bedside to Board Room: Interviews With Nurse COOs and CEOs (Part 1), 109
From Bedside to Board Room: Interviews with Nurse COOs and CEOs (Part 2), 171
From Bedside to Board Room: Interviews with Nurse COOs and CEOs (Part 3), 222

In Memory
In Memory of Margaret D. Sovie, 234

Leadership Roundtable
Responses to the Nursing Shortage: Policy, Press, Pipeline, and Perks, 287

Legal Issues
Legal Issues in Performing Patient Safety Work, 118

Letters (Department)
Recent Events Highlight Importance of Mental Health Services, 39
Technology and Patient Safety, 194
Comments Regarding Nursing Program Completion Time, 206

Nursing Administration/Management
Nurse Practitioners and Physician Assistants in Hospital Outpatient Departments, 1997-1999, 174
Your Greatest Business Asset Is Masterful, Middle-Aged, Mad, and Mobile, 205
Failure: Lessons for Health Care Leaders, 225
Patient-Focused Redesign and Employee Perception of Work Environment, 163
Nurses, Long-Term Care, and Eldercare: An Impact on Work Performance, 266
Unlicensed Assistive Personnel Retention and Realistic Job Previews, 279
A Multi-Disciplinary Financial Education Research Project, 273
Keeping an Eye on a Moving Target: Quality Changes and Challenges For Nurses, 258

Nursing Economic$ Foundation 2002 Scholarship Program
254

Nursing Economic$ Information for Authors, Call for Manuscripts
54, 154, 202

Nursing Education
Registered Nurse Pre-Licensure Education in California, 113
A Needs Assessment for Patient Safety Education: Focusing on the Nursing Perspective, 245
A Multi-Disciplinary Financial Education Research Project, 273

Nursing Models
Evaluation of a Client Care Delivery Model, Part 2: Variability in Client Outcomes in Community Home Nursing, 13
Capacity Planning in Hospital Nursing: A Model for Minimum Staff Calculation, 28
Models of Care: The Influence of Nurse Communication of Patient Safety, 209

Nursing Shortage
Nursing Shortage: Johnson & Johnson Campaign Aims to Increase Awareness, Generate Interest, 93
Registered Nurse Pre-Licensure Education in California, 113
Leadership Roundtable: Responses to the Nursing Shortage - Policy, Press, Pipeline, and Perks, 287
